

Happy July 4th to you all. As Arizona presents an alarming increase in positive Covid-19 cases and hospitalizations. It looks as if we are going to be in this battle of Covid-19 a little longer than any of us thought. We will continue to monitor the situation and follow all guidelines set forth by the AZ Department of Health. It is our top priority to keep our residents safe during this worldwide Pandemic. Here in Life Enrichment we are continuing to bring you small group activities. Please take a look at a few new events and grab your spot today! We are excited to offer residents the first “Whodunnit” Mystery Lunch Social. Come enjoy a fried chicken indoor picnic with all the fixings while you bare witness to a crime....Be the top detective and solve the mystery to win a prize! On a personal note, take a moment to find the blessings we all have. To be a part of this great country, to make our mark as part of the solution to this crisis the world is experiencing. Through sacrifice, patience and perseverance we all have as Americans we will get through this. Thank you.
