

## What is the Arizona Tax Credit program?

If you owe Arizona state income taxes, your donation can benefit the Phoenix Nursing Center, Historic Mesa Oasis Assisted Living, or Mesa Manor IV Assisted Living and receive a Tax Credit at no cost to you.

Arizona's Charitable Tax Credit allows donors to direct their state income tax withholdings to support our underserved seniors receiving medical care at the **Phoenix Nursing Center** or through the ALTCS Assisted Living Programs at **Historic Mesa Oasis** or **Mesa Manor IV**.

Your tax withholding dollars still count as paying your Arizona income taxes, but will be redirected to support our seniors instead of the money being used by the state government. A win for you and for our seniors! Thank you for considering Christian Care seniors in your tax planning.
