

Letter from Chaplain:

Welcome to our community! My name is Kurt Stromberg and I have the honor and blessing of being your Chaplain. I have lived in Illinois, Iowa, Minnesota, California and Colorado. I have a Bachelor of Arts degree in Marketing and Arizona has been my home for the last 25 years.

My wife and I got married for the first time later in life, in our late 40's. Monique is from Michigan and we worship and serve the Lord at Grace Community Church in Tempe. My testimony is one that includes overcoming addiction (12 years ago), where the Lord used the tragic events on September 11th, 2001 to reach me. Through this I started reading the Bible and later confessed my life to Jesus through full submersion baptism.

My passions in ministry are prayer and men's ministries. I was a prayer pastor at Central Christian Church in Mesa for 3-1/2 years, been involved in men's ministry for over a decade, am also involved in the Tres Dias Community. I earned two master's degrees, one in politics and one in Christian ministries.

I have a ton of interests including dogs (I have three, and what is dog spelled backwards?), current events, politics, animals, sports, ministry work, music, writing, volunteering, and most of all, I love God.

I attend a non-denominational church, (Grace Community Church) and was raised Catholic. When asked what denomination I am, the answer is simple: "I am a follower of Jesus Christ who I have a personal relationship with." We need to be following Jesus and not a pastor, denomination or church.

There are a number of ministries here on campus including Bible studies and church services. If you would like more information, please check out your monthly activities calendar or give me a call. They are also listed on the back of this letter.

Upon moving into a new home, many people like to offer their house to God and receive a blessing. If you would like your new home blessed, I would be most happy to do so. You may reach me at 480-290-7904.
