May finally is here! *Down the Rabbit Hole we go.*

Trips to the Science Center, Peter Piper's, and Manuel's. Shopping at Savers, Home Goods, and Target as well.

Lots of Activities on campus too! We've got Craft Club, Movies, Entertainment, and Travel. Let's not forget our Mother's Day revel!

If all that's not enough, we have a Mad Tea Party too. Thirsty Thursdays are for those who like their drinks a bit stronger. Why can't this month be just a little longer?

This month there is so much fun to be had, we all just might go a little mad.

Greetings brothers and sisters!

As we arrive in the month of May, with its changing season, we welcome so many memories. When we were younger, May began the countdown, with each day bringing us closer to that final bell in school that ushered in summer!

As we grew into teenagers and young adults, the month would signal the time for proms and concerts, award presentations, graduations, good-byes and long summers.

Yet through the years of maturity and change, what remains for many of us is now the focal point of this special season through the celebrations of Mother's Day and Memorial Day.

With neither one connected with our age nor with our stage in life, we hold on deeply to the continual memories that are brought to the forefront of our days. A day to give thanks to God for the gift of our mothers and their commitment to provide, nurture and love us. A day to give thanks for those men and women who made the ultimate sacrifice for our nation and our freedom; and a day to remember our loved ones that have gone before us, with their unique gifts and spirit that have been placed upon us.

May each one of us journey through this month of May with a heart filled with gratitude, fondly remembering those special times and those special relationships; thanking God for the abundance of the treasures we hold so dearly in our minds and hearts.
