

Complimentary Meal Plan with Flexible Dining Options

- Included in a standard Independent Living rental agreement is a complimentary meal plan that provides each resident with 225 dining dollars each month. With a variety of meal options and varying dining habits of residents, this typically averages out to one full meal per day and can cut one's grocery expense by up to one third.
- If you do not use all of your dining dollars in a month, we will roll over up to \$50 for you to the next month.
- If you spend more than \$225 in a month, do not worry. We will simply add the overage charges to your next monthly bill.
- Your \$225 allowance will be "loaded" into your dining account once per month. Meal plan monthly cycle start dates will vary by building.
- Dining options are subject to change. Our meal plan holds no cash value.
- Guest meal tickets available for purchase at front desk.
- Questions? Email Dining Room Manager at Caitlin.Janke@christiancare.org or call 480-290-7044.
