

Senior Independent Living

More Time & Opportunities to **Thrive with Purpose!**

Independent Living is for seniors (62+) who want more time to enjoy their golden years with socialization and purpose.

Our apartments feature spacious floorplans with private entrances opening up to the beautifully landscaped and grassy outdoors - not an internal hallway.

More free time ...

With a delicious complimentary dining plan, housekeeping and transportation services, we give our residents more freedom from home maintenance and chores so they can spend time doing what they want to do, rather than what they have to do!

A non-profit Christian Care Community

Independent & Assisted Living
Memory Care & Supportive Services

Safety - Residents and their loved ones appreciate the security they feel from living in a community that offers multiple safety measures including a personal emergency alert device.

Support for Changing Needs - At some point we will all need more than a little extra help. In addition to an on-site health clinic and outpatient therapy clinic, our community offers Supportive Services (caregiver assistance within Independent Living), Assisted Living and Memory Care. Transitions to a higher level of care can be difficult but it's much easier if they can happen within the same community with staff that you know and trust.

As a non-profit, Christian care community, we are committed to providing our residents with a wide range of activities and opportunities to help them **thrive and live with purpose**.

How are we different?

Our Christian, non-profit structure attracts kind, service-oriented people - both staff as well as residents. It is evident every day in the outstanding and caring service our staff provides and the wonderful supportive friendships that our residents form with each other.
