

Independence Starts with Safety

Independent Living Safety Measures

Personal Emergency Alert Device

Security staff on duty, 24/7, 365 days per year (CPR trained and First Aid certified)

Security doors with deadbolt locks

Camera monitoring of common areas

Entrance gates locked at night (except main entrance as required for emergency vehicles)

Easy access showers with grab bars

Multiple elevators throughout the community

Smoke detectors/alarms checked every three months.

Regular evacuation drills.

Balance assessments and classes to help identify and reduce fall risk.

Criminal background checks and drug testing for all staff.

Criminal background check conducted on all residents prior to move in.

Emergency Management Guide implemented for Disaster Preparedness.

Community meets City of Mesa's Crime Prevention through Environmental Design standard for visibility and lighting.

A non-profit Christian Care Community

Independent & Assisted Living
Memory Care & Supportive Services
