July 2025

Note From Carrie

Director of Resident Experience, Carrie Brindley

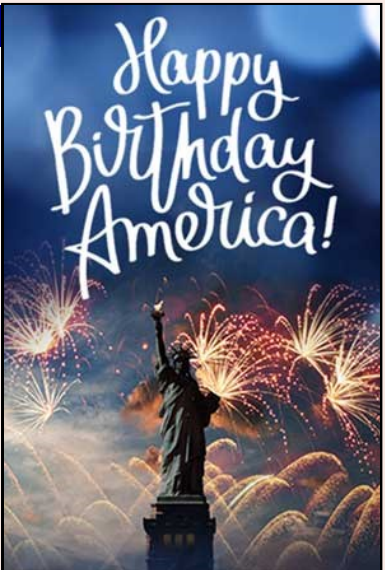

July is a time to gather together in gratitude as we celebrate the birth of our great nation. From fireworks to flags, cookouts to community, the Fourth of July reminds us of the freedoms we cherish and the unity we share as Americans.

Here at Fellowship Square, we recognize that many of our residents have not only witnessed history but lived it—serving our country, raising families through changing times, and contributing to the communities that make this country strong. Your stories are woven into the fabric of America, and we are honored to celebrate with you.

This month, look forward to patriotic programming, festive dining events, and moments of reflection on what freedom means to each of us. Whether you're singing along to classic American tunes, attending a red-white-and-blue social, or simply enjoying a slice of watermelon on a sunny afternoon, we invite you to celebrate all the joys of an American summer.

Happy Independence Day and thank you for being part of what makes this community so special.

~ Carrie

“I’m proud to be an American,

Where at least I know I’m free.

And I won’t forget the men who died, who gave that right to me.

And I’ll gladly stand up, next to you and defend her still today.

‘Cause there ain’t no doubt, I love this land...

God Bless the USA!”

Chaplain Chats ~ Campus Chaplain, Dan Brookey

It is for freedom that Christ has set us free. Stand firm, then, and do not let yourselves be burdened again by a yoke of slavery. Galatians 5:10

Many of you have protected our civil freedom by virtue of serving in the armed forces – Thank You! As a free nation we have liberty and justice for all. This is the cornerstone of who we are as an American and someone living in America.

Scripture says the freedom we have in Christ is complete only by and through him. We are best described free by virtue of Christ's love and grace for us. We are not bound to our own accord but have everlasting life by means of Christ the King, our savior. This was a momentary act of completeness "once for all". Accepting Christ does not place us into another form of bondage but gives us freedom from it. Christ died to set us free from sin and from a long list of laws and regulations. We are free but not free to live towards our own selfish desires but free to live as one who "loves his neighbor as himself". At the foot of the cross is where we receive true freedom. This poem was written by Naomi Fata reflecting on the great sacrifice He paid for us to set us free from sin and the bondage thereof. Set free to righteousness.

As we celebrate this 4th of July take a moment to reflect on the unprecedented freedom (s) we have and thank God. Blessings, Chaplain Dan
